1. The staff listed on this Form are recognised by UKAS as the laboratory's approved signatories who take responsibility for the content of Certificates of Calibration.
2. This list is issued in conjunction with the UKAS Accreditation Certificate and Schedule bearing the above Accreditation Number and, where appropriate, form MF 128SS which lists staff who can perform specific calibrations/measurements.
3. The assessment and listing of approved signatories is subject to review and change at the discretion of the United Kingdom Accreditation Service.
4. This listing applies only for the stated field of calibration performed under the accreditation of the above-named laboratory. Listing as an approved signatory is not transferable to another laboratory or extendable to other fields of calibration work unless specifically agreed by the United Kingdom Accreditation Service.
